Reach Out Now:
Talk to Your Fifth Grader About Underage Alcohol Use

On DATE, there will be a Teach-In for the fifth-grade class at NAME OF SCHOOL to discuss the risks of underage alcohol use.

NAME OF TEACH-IN LEADER

Following the lesson plans presented in *Reach Out Now* materials produced by the U.S. Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, in collaboration with Scholastic Inc., **NAME** will be joining leaders across the country who are conducting Teach-Ins during April, Alcohol Awareness Month.

At the end of the Teach-In lesson, students should be able to:

- Describe some of the effects of alcohol on the brain and body
- Identify effective alternatives to using alcohol
- Work in groups to develop an effective alcohol prevention message.

Every fifth-grade parent also will receive a copy of the *Reach Out Now* materials, which we encourage you to read and review with your child.
